Effective Date: **September 23rd, 2024**

1. This policy governs complaints from students respecting **Canadian Southwestern College** and any aspect of its operations. Student will not be subject to any form of retaliation as a result of filing a complaint.
2. All student complaints must be made in writing.
3. The student must provide the written complaint to the Director of Student Affairs who is responsible for making determinations in respect of complaints. If the Director of Student Affairs is absent or is named in a complaint, the student must provide the complaint to the Program Director.
4. The process by which the student complaint will be handled is as follows:
Adult Learner that have a concern about a grade, policy, or a staff member of CSC, should first discuss their concern with their instructor or the administrator. If resolution is not possible between the adult learner and the instructor or administrator, the adult learner should submit their concern in writing for consideration by a CSC review committee. Students have up to one year of the incident occurring to file a claim about being misled. The review committee will respond within 30 business days of receiving the letter and promptly. The speaker for the CSC review committee will contact the adult learner and attempt to resolve the concern.
It is the intent of CSC that adult learner disputes will be resolved at the adult learner /administrator level, but if it is necessary to move to the next steps, this will be done in a non-prejudicial fashion, and in a timely manner.
5. The student making the complaint may be represented by an agent or a lawyer.
6. If the student is or was enrolled in an approved program, is dissatisfied with the determination, and has been misled by the institution regarding any significant aspect of that program, he or she may file a complaint with the Private Training Institutions Branch (www.privatetraininginstitutions.gov.bc.ca).
